FIELDHOUSE GROUNDBREAKING CEREMONY ANNOUNCED

Please join us on November 7, 2017 at 11 a.m. for the official Groundbreaking Ceremony. The program will start at the future site of the Fieldhouse off of Union Street in Rockton. There will be brief commentary before dignitaries turn over the dirt signifying the start of the project. The ceremony will continue inside to the metal gym where participants can ask questions of the Board of Education, Administration, Architects, or the Construction Manager, plus view 2-D renderings as well as take a virtual tour. Refreshments will be served.

Thanks to the H.O.P.E Foundation, the Board of Education, staff, students, and the community will have an opportunity to take a virtual tour of the Hononegah Fieldhouse. Ringland-Johnson, the Construction Manager and the Hononegah Technology Team will have an area set up in the metal gym where participants will be able to put on virtual reality glasses and tour the facility in its most current design. The virtual tour will be available from 8:00 a.m. until 4:00 p.m.

Please join us and take part in this exciting adventure as we Build Our Future.
